TEACHER CANDIDATE BROCHURE

Our School

At Menston Primary School, we provide the children with a high quality education and pride ourselves on a team ethos, expecting the highest standards of care, learning and achievement for all of our children.

As a team, we work to foster a lifelong love for learning. Everything we do is centred around the children and their right to be encouraged, to achieve, to find their talents, to enjoy learning and to succeed in whatever they choose. We strive to create an environment that allows children to enjoy learning within a happy and caring environment.

Our History

There has been a village school on our site since Victorian times. In the 1960s a 'new' infant school was added to the site and in 2004 a third building was added which houses three classes and our before and after school 'Care Club'.

Our Environment

Menston Primary consists of three main buildings set in extensive grounds, comprising of a den building and campfire woodland area along with a school garden, a polytunnel, a minibeast area and pond. This promotes

a healthy attitude to nature, which we, as a school, greatly value. All our children have regular, planned outdoor learning experiences and we run residential trips in Key Stage 2.

As well as teaching the importance of nature, we also ensure that children engage in team work and exercise. We have very large playing fields, both with all-weather 'daily mile' tracks, as well as three playgrounds, which really help our children to explore a range of sporting activities and have fun. We participate in friendly, but serious, competition within our local schools' sports leagues based at Ilkley Grammar School. We also have many talented musicians and we have been developing musical opportunities steadily for several years.

We are proud of our warm and positive learning environment. Our classrooms are well equipped and our teachers are innovative and creative. They love to inspire our children.

As well as working to deliver a broad and relevant education, the school is developing a curriculum which promotes the STEM subjects of Science, Technology, Engineering and Maths alongside regular, planned outdoor learning.

Our Ethos

We believe that teaching children how best to learn in different situations is as important as the subject specific knowledge they all need to acquire. Because of this we encourage our children to take increasing control over their own learning, to coach each other and to peer and self-assess where this is appropriate. As a result, each day our children grow more confident and more independent and they are able to take on more responsibility for their own learning.

What qualities are we looking for in a Teacher?

Our teachers would like...

- An excellent teacher.
- Someone with good ideas and a good understanding of curriculum progression.
- Someone who works well within a team to help the Key Stage to run happily and smoothly.
- Someone who genuinely cares for the wellbeing of all the children.

Our parents would like...

- An excellent teacher.
- Someone approachable and helpful.
- Someone who will be kind and encourage our children to learn and grow up happily.

Our children would like...

- Someone kind, firm but fair.
- Someone who can explain things well.
- Someone who makes learning interesting.
