WELCOME

The governors, staff and students of Buttershaw Business and Enterprise College (BBEC) warmly welcome you to our guide for prospective applicants for the role of Whole-School Administrative Support Officer.

Our vision is that we will all work to ensure that our students will be the **best** they can be and can achieve great things. They will be **ambitious, resilient** and **determined** in their learning and **respectful, courteous** and **kind** in their relationships.
We will thus prepare our students to lead **happy** and **successful** lives.

We live this vision every day. It is a real privilege to introduce our vibrant school to you.

We believe students' education is not a dress rehearsal; they only get one chance and it is important that our school provides a safe, happy environment where our young people feel valued and can learn and fulfil their potential. The school has undergone change over recent years; these changes have resulted in greater success for our students. We are on a trajectory of rapid improvement. At BBEC we understand the importance of great teaching and our students being successful academically, but as well as this we offer fantastic opportunities for children to develop skills and interests beyond the classroom. We believe this helps students have a fully rounded, exciting learning experience so that they can thrive and be prepared for adult life.

We are a truly comprehensive school and we welcome all children. We have a fantastic mix of students with different skills and talents. The breadth of our curriculum is designed to include a range of academic and innovative courses for all abilities, from the university bound to those with additional learning needs. We are truly proud of our inclusive approach and our commitment to see every child reach his or her potential. We expect all staff to work hard to ensure that we fulfil this aim.

The intent of the curriculum at BBEC is to:

- develop the whole child to ensure that they embody BBEC's values, both in and out of school, by being ambitious and resilient in their work and courteous and kind in their interactions with other people.
- provide an all-round education that delivers excellent outcomes in terms of academic success, improved cultural capital and increased ambition in order to counter social disadvantage.
- create a school where everyone belongs and equality of opportunity is actively and effectively promoted.
- develop an understanding, appreciation and respect for diversity while recognising and celebrating difference as well as all we have in common.
- ensure students are compassionate, courteous and kind by guiding their moral, intellectual and creative development.
- secure high levels of literacy, oracy and numeracy to enable students fully to participate in their acquisition of knowledge at BBEC and (the world) beyond.
- nurture academic habits and skills, emotional intelligence and creativity across a wide range of subjects including the arts, music, performing arts, IT, technology and sport.
- foster confidence, delight, resilience and discipline in seeking knowledge; a buzz for learning!

BBEC is situated in a modern building. It has well-equipped departments that are arranged in suites of rooms. All teachers have a laptop, all classrooms are equipped with projectors and interactive whiteboards and all classrooms have access to student laptops.

All at BBEC are dedicated to raising the aspirations of our students and improving cultural capital through ambitious schemes of learning in all year groups and a varied offer of extra-curricular activities and opportunities. We run trips and visits to places in the UK and across the world, our students take place in a myriad of competitions and our CEIAG programme is exemplary. ABOUT BDAT

Buttershaw Business and Enterprise College is an academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

GENERAL INFORMATION AND BACKGROUND

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford, as part of the Diocese of Leeds. BDAT is a charity governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

OUR MISSION STATEMENT

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." We believe every child only has one chance at a good education.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable them to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working. We believe this means we are big enough to achieve business economies of scale whilst being small enough to retain our family of schools approach where we are truly able to know, understand and support each other.

OUR CHRISTIAN ETHOS

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England academies, as well as those within the faith.

BDAT PEOPLE: Our Faculty of Professional and Career Development

The BDAT Faculty of Professional and Career Development brings together into a single entity all that we currently do to recruit, develop and retain our staff. The Faculty provides the strategic direction to ensure that our professional and career development supports school improvement and drives our vision of BDAT as an employer of choice.

By bringing all our work in this area under 'one umbrella' it ensures our staff know about BDAT's development offers and how they can be accessed. <https://bdat-people.org/>

ICARE

At BDAT we have considered the importance, effectiveness and sustainability of how we tackle issues like racism and other types of discrimination across all areas of our MAT and within each of our schools. We have led a Trust wide consultation to ensure we understand what we mean by inclusion and to look at what we can do differently centred around the Trust values: "ICARE".
