## Our Trust

I am proud to welcome you to Impact Education. We are a diverse family of Primary, Secondary, Alternative Provision and All-Through Academies, serving almost 5,000 young people and their communities in Calderdale and Kirklees, West Yorkshire.

Our **vision** is to be a Trust **where hearts and minds connect**; values-driven partners, who work collaboratively to provide a high-quality whole education that positively impacts our young people. We are on a **mission** to improve their life chances, challenging social disadvantage and championing inclusion. We believe in student agency and equipping our young people with the knowledge, skills and qualities to be successful in learning, life and work.

Our colleagues are empowered to create, explore, share and learn from each other and the wider system. They have access to high-quality continued professional development and learning. We work hard, but not at the expense of wellbeing, and we want all our people to feel valued, respected and happy in their work.

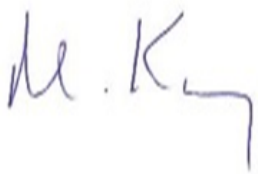

Our **values** of Heart, Mind and Connect underpin everything we do, and our **core principles** articulate how we will live these out.

We are entering into an important phase of our continued development as we begin the process of merging with Pennine Academies Yorkshire, who share a strong commitment to inclusive, high-quality education, particularly for disadvantaged pupils and those with special educational needs.

This partnership will create one of the largest non-faith Trusts in West Yorkshire, with 18 academies, 8,200 pupils, and over 1,200 staff. Rooted in shared values of inclusivity, collaboration, and excellence, this is a natural partnership and an exciting time to be joining our Trust.
