Dear Colleague

**ICT Technician**

Thank you for taking an interest in this role.

We are a new 11-16 Church of England secondary academy and part of the Bradford Diocesan Academies Trust (BDAT), a growing, Christian, Multi-Academy Trust based in Bradford. Bradford Forster Academy opened in new purpose built accommodation in the BD4 area of Bradford on 1<sup>st</sup> September 2015. The Academy started with Y7 students, and will have five year groups in September 2019. We were inspected by Ofsted in March 2018, receiving a 'good' grade in all areas with many positive comments in the report, which you can read on our website, including '*Staff morale is high. Staff appreciate the quality of training they receive both within the school and across the trust.*'

Bradford Forster Academy is a student-centred place of learning, fully committed to providing all the students in its care with the highest quality of education. Our goal here at Bradford Forster Academy is to become an outstanding academy that delivers educational excellence. The academy serves a multi-cultural community in which many of our students' experience high levels of economic and social disadvantage. I am fortunate to work with a very talented staff team who demand the highest standards of teaching and learning and deliver this with commitment and enthusiasm. We need staff with energy and commitment who recognise the potential of our students.

There is a strong emphasis on relationships between staff, students and parents. The Christian ethos of the academy supports and encourages students and staff to explore their own and other faiths and develop their spiritual awareness. This is integral to life at Bradford Forster Academy.

We offer a comprehensive and personalised CPD programme consisting of internal and external courses and training, which are intended to develop teacher expertise. We place great emphasis on common goals and teamwork, and as an academy we are consistently looking for ways to further 'raise the bar' both for our students and staff.

This is an exciting opportunity for a talented and ambitious professional to make a sustained and substantial contribution to the growth and development of the academy.

I hope the enclosed information is helpful and will encourage you to apply; I look forward to meeting you and reading your application.

With all good wishes.

**Wendy Adeniji**  
**Principal, Bradford Forster Academy**

## Vision and Ethos

The vision for the Academy is to further raise the hopes, aspirations and ambition of students, their families and the local community by generating self-belief, self-esteem and confidence through:

- Focusing upon high quality teaching and learning, standards of attainment and achievement, student care and support to transform the education of the young people served by the Academy.
- Providing outstanding opportunities for young people to develop healthy and active lifestyles; enjoy their learning and achievement, act and behave safely and become well prepared for adult life in a rapidly changing society.
- Actively promote high standards, self and mutual respect, good conduct and behaviour.
- Developing an educational organisation of which the students, staff and local community is both proud and feels part of and of which they make extended use.
- Creating a culture which celebrates success within and beyond the Academy, for example in securing greater numbers of students progressing to higher education or employment with training.
- Providing opportunities for students to explore their own and other faiths.

## Ethos and Culture

In creating a successful ethos, culture and climate in the Academy the following are essential characteristics:

1. Student learning, attainment, achievement and well-being are at the centre of strategic thinking, planning and actions.
2. A 'can do' attitude is actively promoted and prevalent throughout the Academy. Staff work collaboratively in the best interest of the students in our care.
3. Underpinned by high aspirations and ambition for both students and staff there is an expectation for everyone to be determined and have a desire and commitment to continuously improve.
4. The Academy is an inclusive organisation with shared facilities e.g. dining room, social spaces for students and staff. In addition, there are dedicated staff work and professional development facilities.

## Bradford Diocesan Academies Trust (BDAT)

### About BDAT

Bradford Forster Academy is an Academy within Bradford Diocesan Academies Trust (BDAT). If you are successful in being appointed, the Trust will be your employer.

### General Information and Background

BDAT is a Multi- Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford, as part of the Diocese of Leeds.

BDAT is a charity, governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at [www.bdat-academies.org](http://www.bdat-academies.org).

### Our mission statement

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." We believe every child only has one chance at a good education.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable our academies to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working.

### Our growth

As of September 2018, the Trust has Academy orders to support 17 Church and non- Church academies across Bradford. This includes 4 secondary academies (Immanuel College, Buttershaw Business and Enterprise College, Belle Vue Girls and Bradford Forster Academy) and 13 primary academies. We envisage we will continue to grow at a sustainable pace over the next few years in line with the Government agenda that all schools will become academies by 2022 to a maximum size of approximately 20 schools. We believe this will mean we are big enough to achieve business economies of scale whilst being small enough to retain our family of schools' approach where we are truly able to know, understand and support each other.

### Our Christian ethos

BDAT is a proud Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the Academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England Academies, as well as those within the faith.
