

# Miriam Lord Primary School

## Applicant Information Pack

### Introduction

Thank you for showing an interest in our advertised post. The following information is provided to give you a greater understanding and feel for our school. We hope that it supports you in making a decision as to whether or not you would like to apply. We feel very proud of what we have achieved at Miriam Lord and would welcome the chance to show you round and talk to you in greater detail if you are interested in applying.

### Miriam Lord Primary School

The school was established in 1987 and is named after a pioneer of education in Manningham. Miriam Lord was born in 1885 and became the Headteacher of Lilycroft Nursery. She was passionate that children get the very best start in life and to achieve this she opened what is believed to be one of the first nurseries in the country. She believed in promoting children's welfare as well as their educational needs. If you visited our school we believe that you would still see her vision in action.

We are proud to be a member of the Priestley Academy Trust, a collaborative of six primary schools close to Bradford city centre. We are a dedicated and hardworking Trust that aims to be at the forefront of new initiatives to raise standards and broaden the range of experience for our pupils. Our motto is 'Be The Change' and we work to achieve this within our community.

One feature of our school is that our pupils demonstrate excellent attitudes to learning. Our school is a proud believer in 'Building Learning Power' and uses this ethos to support pupils to become independent and show resilience in the face of challenge. Pupils are supported by a rich curriculum that develops core skills whilst also providing enrichment, breadth and balance. Alongside this, we are proud of our work to support the most vulnerable and those with SEND. To do this Miriam Lord houses a Local Authority Resourced Provision unit to provide specialist support for pupils with ASD.

We recognise that to succeed in providing the highest standard of education, we must work in close partnership with our parents and carers. The relationship between home and school is important to us and we value highly the feedback we get from our families, as well as the contributions that parents and carers make to school life. Without these contributions, Miriam Lord Primary School would not be the success it is.

We were delighted with our most recent Ofsted inspection outcomes in March 2018 when we maintained our rating of 'good' overall. The inspector recognised that *'You and your team are resolved that your school will welcome all pupils and you celebrate the rich heritage and experiences that they arrive with. Staff and pupils work in harmony throughout school. As a result, pupils are content and secure in their learning'*.
