About BDAT

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Bradford based Church of England Multi-Academy Trust. BDAT is a charity and company limited by guarantee, governed by a Board of Directors who are responsible for, and oversee the management of the company. BDAT was established in 2012 to sponsor academies in Bradford on behalf of the Diocese of Leeds. BDAT operates as an Exempt Charity and is governed by a Board of Trustees who are responsible for, and oversee, the management of the company.

The mission statement of BDAT

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." In practice as a Trust we seek to work with and alongside the schools in our Trust to provide a good quality of education to all children in our schools. We believe every child only gets one chance at education and they have a right to a good education.

Trust development and growth

The MAT was established in 2012 to support both primary and secondary Church schools needing support within an academy model. As of January 2022, the BDAT family of schools consists of 17 schools: thirteen primaries and four secondaries. We expect a further primary school to join in the summer of 2022 and we are actively considering further slow and steady growth following several years of consolidation.

For more information on BDAT, visit www.bdat-academies.org or visit [#wearebdat](https://twitter.com/wearebdat)

Our Christian ethos

BDAT is a proud Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical and spiritual opportunities and development for each member of its academies.

Whilst robust Christian principles underpin the work of the academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor non-Church of England School, as well as those within the faith.

Our mission, vision and values

BDAT's mission is:

"to provide high quality education within the context of Christian belief and practice so that every child can fulfil their academic potential and accomplish their individual goals".

Our rationale or reason for doing this is:

".... because we believe that every child has only one chance at a good education".

Our vision is:

"That every student in a BDAT academy gets a happy and high quality education enabling competence, confidence and character to thrive; and that our Academies become the schools of choice in Bradford."

The Trust, our family of schools and our pupils are driven by a set of shared values which guide how we operate, how we teach and how we support each other.
