## **Safer Recruitment at Shirley Manor Primary Academy**

Safer recruitment practice aims to minimise the risk of appointing an individual who is unsuitable to work in a post where they would be in contact with children or vulnerable adults and could cause them harm.

***Shirley Manor is fully committed to the principles of safer recruitment.***

Our selection processes observe best practice in selecting the appropriate candidate by ensuring equality of opportunity for all applicants whilst excluding any who may be unsuitable to work with our children. All candidates are expected to understand their own duties and responsibilities in regard to child protection and safeguarding with due relevance to the specific post advertised.

The Disclosure and Barring Service (DBS) helps employers to make safer recruitment decisions and thus prevent unsuitable people from working with vulnerable groups, including children. It is a criminal offence for a barred individual to be offered (or indeed to apply for, or to accept an offer of) employment in certain designated posts (those which involve working with children in what is defined as regulated activity).

Accordingly, all of the following steps will be taken as part of the recruitment processes:

- ✓ confirmation of identity by sight of original official documents (passport, photocard driving licence etc.)
- ✓ confirmation of professional qualifications (those required to fulfil the post) by sight of original documentation
- ✓ satisfactory references - a minimum of two written references (**one of which must be from most recent employer**) will be taken up prior to interview (the identity of all referees must be open to verification)
- ✓ social media screening on all shortlisted applicants
- ✓ full scrutiny of employment history with clarification to be sought (from candidate or referees as appropriate) in the event of identified gaps or discrepancies
- ✓ all necessary checks relevant to the disqualification requirements relating to childcare in accordance with the 'Childcare (Disqualification) Regulations 2009'.

In line with DBS regulations all candidates for relevant posts are required to provide details of any relevant unspent convictions. Additionally, for those posts involving "regulated activity", all 'spent' convictions must be disclosed under the Rehabilitation of Offenders Act 1974. The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account.

**Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website.**

A DBS check will be requested for appointments to all relevant posts and for those involved in 'regulated activity' this will include an additional check of the Children's Barred List. Any conditional offer of appointment will be made strictly subject to both receipt of all required documentation (as specified) and satisfactory verification of all checks as above.
