WELCOME FROM OUR CEO

“Thank you for your interest in Beckfoot Trust.

Established in 2013, we are a family of 10 (primary, secondary and special) schools located in the Bradford District and we need great mission-aligned people to join us and live and breathe our values. We work together as one Trust both operationally and educationally to create remarkable schools where no child is left behind. To explain our trust in a page, please review our 4 critical questions on page 4 of this pack.

Across our Trust we educate over 7,300 learners aged 2 to 19 and employ 1100 staff. All of our schools are improving at pace, and we have seen some remarkable transformations. There is great pride across our community in what we stand for, and we are ambitious for our whole Trust (see our five year plan in page 6 of this pack). We genuinely believe that with ‘applied hope’ and determination, all can succeed. We have the humility to know that we can all be better tomorrow than we are today, and we encourage self-reflection and a commitment to feedback.

As one Trust where all belong, we have clarity over our principles of alignment and what must happen in every Beckfoot Trust School. Whilst community and context are never used as an excuse for low standards or dis-alignment from our principles, we respect and value diversity and recognise that there may be differences in the implementation of some strategies in some settings. Headteachers must have the power to lead.

We believe that Beckfoot Trust is a great place to work. We offer competitive salaries, dedicated CPD time for planning, bespoke professional development including career stage leadership development programmes and much more. In particular, our Early Career Strategy ensures that teachers new to the profession are well supported as they transition from trainees to expert practitioners. Investing in our employees’ professional growth and psychological wellbeing are priorities for us. It is our people on the ‘front line’ in our schools who make a difference to the lives of our young people on a daily basis (see our People First Charter on page 8 of this pack).

Please take the time to read more about our Trust on our website. If possible, visit or contact us to find out more. I am incredibly proud to lead our Trust and I am sure that if you visit, you will find that our moral purpose is quite simply palpable.”

FOUR CRITICAL QUESTIONS

Beckfoot Trust was formed as a multi-academy trust in 2013. We are a family of 10 schools; 2 special, 4 mainstream primary and 4 mainstream secondary and we educate over 7000 young people and employ over 1000 staff. We are currently closely located in the Bradford District.

At Beckfoot Trust we understand that all healthy organisations have absolute clarity of purpose. Through precision of language, we are liberated to work together in an efficient and agile way as high performing teams. This is how we transform lives and create remarkable schools. To aid our clarity, we have answered four critical questions:

CREATING REMARKABLE SCHOOLS

1

Why do we exist?

How do we behave?

We enjoy belonging to Beckfoot Trust.

3

4

HEADTEACHER MESSAGE

At Beckfoot Phoenix Primary Special School, we work hard to make sure that all our very special children can 'be the best they can be'. In our school, children come first. They are listened to, respected and nurtured.

Our day-to-day ethos and curriculum design are symbolised by our school sentence:

To learn lots, make memories and be brilliant so that our learners can go on to lead happy, healthy, and fulfilled lives. Everything we do is driven by our values of Enjoy, Learn and Succeed.

At Beckfoot Phoenix:

- Everything we do is personalised, purposeful and meaningful; inclusivity creates belonging, so students enjoy being in school and learn lots.
- Students learn the knowledge and skills to make memories and empower them to flourish in their future lives.
- Students are supported to overcome barriers and to know and remember more so they can be brilliant every day.

Working closely with families we focus on the development of the 24-hour child: consistent communication, respectful relationships, and high expectation in everything we do.

We are proud to be a member of Beckfoot Trust and as one Trust, we are aiming to be a People-First organisation. Our recognition and value of staff at Beckfoot Phoenix reflects this. We are committed to the professional growth of all members of our staff body, and we work hard as a team to listen to the authentic voice of everyone. We understand the importance of staff wellbeing and we are always looking for ways of reducing unnecessary workload.

Children tell us and show us that they enjoy school and our children's confidence, and communication has significantly improved because of our adapted curriculum. Learning takes place over 6 stages. These are aimed at the development ages of the children in our school based on the Early Years framework of Birth to 5.

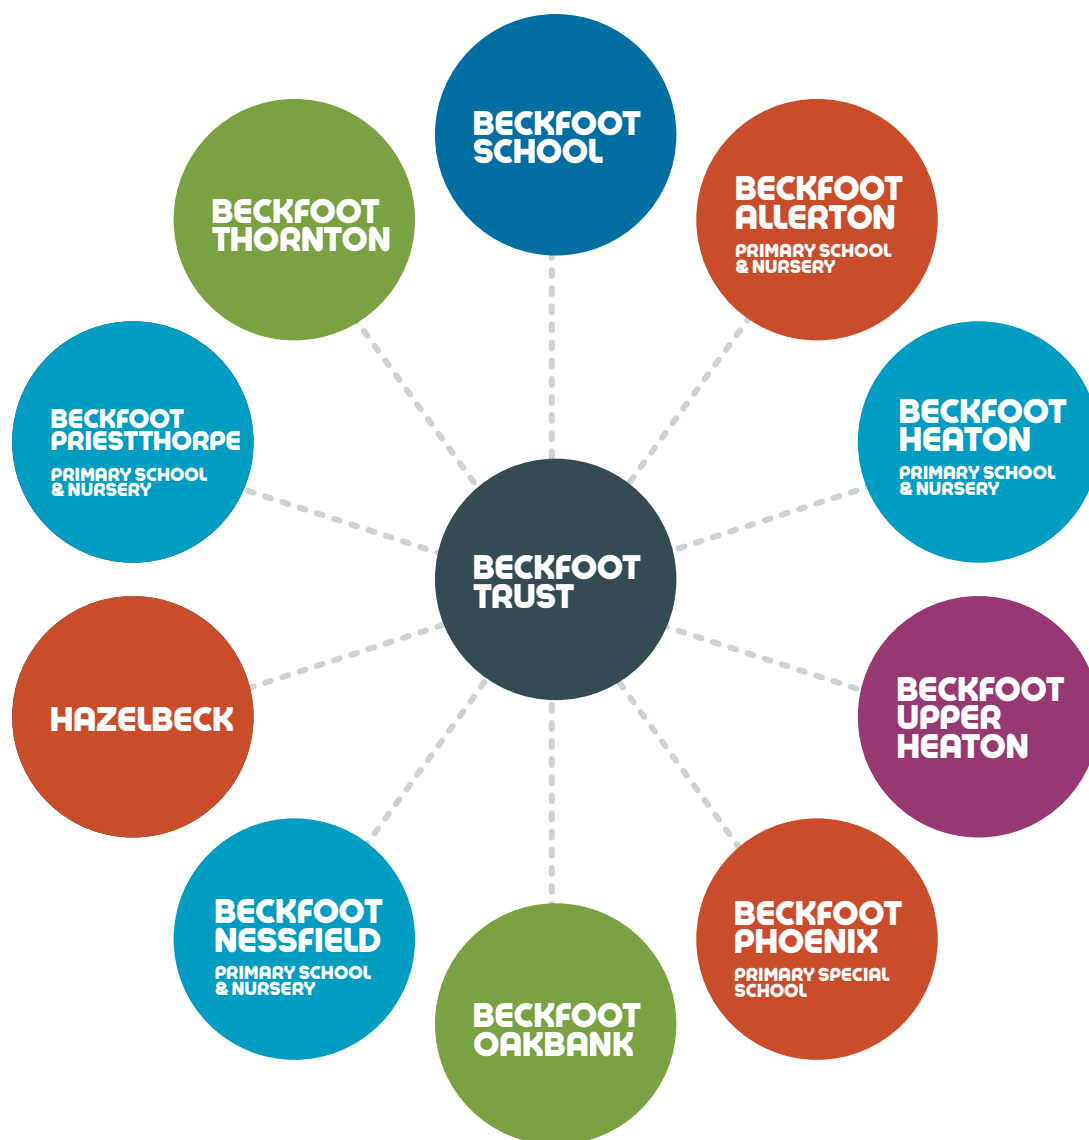

Our recent Ofsted in October 2023 evaluated the school as outstanding in every area. The report noted that; 'Pupils are valued highly and nurtured exceptionally well. Highly skilled staff provide carefully designed care and support. There are high expectations for all. The Trust's core purpose for pupils to 'enjoy, learn and succeed' is at the heart of the school's curriculum. The curriculum is aspirational. It is designed around the needs of pupils. Pupils benefit from and thrive because of specialist medical and therapeutic support. They enjoy enrichment activities. These include swimming, cooking, learning first aid and educational visits associated with the curriculum'.

If you are interested in becoming part of our team, please contact us. I look forward to hearing from you.

Staff Wellbeing

We know that clarity is vital for staff wellbeing and all of our schools are striving to make this a priority so that the cognitive load of colleagues is reduced. WORKING AND LIVING IN BRADFORD

Five Reasons to Teach in Bradford from BradfordTeaching.org

<https://www.bradfordteaching.org/>

1. Demand for good quality teachers is high. We are the youngest city in England – almost a third of people living in Bradford are under 20 – so education is key to our future.
2. You'll get experience of working with different people and cultures in one of the most diverse cities in the UK. About half of our school students are from black, Asian or minority ethnic communities.
3. You'll find school leaders on a mission to deliver the best education possible to create life chances for young people. We have one of the first research schools in the country and strong multi-academy trusts, offering exciting career opportunities.
4. You will change lives here. About a quarter of our children are classified as living in poverty. If you believe that opportunity should never be limited by a child's family income, then we need your passion and your skills in Bradford.
5. We're a growing, ambitious city with an entrepreneurial spirit and a trend of educational improvement. Be part of our success story.

A Wonderful City to Live In

<https://www.visitbradford.com/visitor-information.aspx>

An award winning, cultural destination and one of the youngest, most vibrant places in the country. Combine a UNESCO City of Film and World Heritage Site with wild and beautiful moorlands, throw in world class artists such as David Hockney, and literary greats, The Brontës, couple that with a vibrant city, packed with heritage and fun things to do, and you have Bradford! With attractions such as Brontë Country, Keighley and Worth Valley Railway, the Cow and Calf rocks, Ilkley Lido, Salts Mill, the National Science and Media Museum, and the Alhambra Theatre, all just a short train journey apart; it's no wonder Bradford has been awarded the title 'Emerging Destination 2018' by the Luxury Travel Guide and voted City Of Culture 2025.

It is a cultural city with many attractions and an impressive history, which is reflected in the striking architecture found throughout. Take in the high profile exhibitions and interactive galleries at the National Science and Media Museum, which overlooks the multi award winning City Park, a beautiful water feature and an arena for a spectacular events programme throughout the year. Bradford city centre is home to the Alhambra Theatre and newly reopened St George's Hall. Both over one hundred years old, they offer a complementary mix of comedy and west end shows. Proud to have been one of the richest cities in the country due to its international recognition for wool, the Wool Exchange, built in the 19th Century, still shows the wealth and importance wool brought to Bradford through its architecture. Nowhere is this more evident than in Little Germany, a unique collection of 19th Century buildings, 55 of which are listed.

Travel and Transport Links to Get You Around

Getting to Bradford district couldn't be easier whether you choose to drive or use public transport. Once here you can travel around the district with a great range of public transport available connecting you to all the must see places.
