Information about our Academy

Best Wishes,
Dean Watkin, Headteacher,
Newsome Academy

It is a privilege and a source of great pride to serve both the school and wider community at Newsome. We work closely with the community, parents and carers to make sure everyone is part of our journey to continue to raise standards and create a school where everyone counts; where everyone has the chance to succeed, to discover themselves and learn how to lead a life of integrity, respect and happiness. It is vital that everyone in the community has a voice and knows that they are listened to, including pupils, staff and parents and carers.

Newsome Academy is an aspirational and inclusive school. We believe in the potential of every individual to make exceptional progress from their starting points and to thoroughly enjoy their time at our school. We believe that the wellbeing and happiness of every child is essential and the needs of our children are at the heart of everything we do. Our journey is focused on having very high expectations. It means ensuring children who are successful and strive to achieve their best, know they are valued, believe in themselves and have respect for others. We aim to consistently promote fundamental British values and pupils' spiritual, moral, social and cultural development. **You will hear the word 'family' mentioned a lot and we operate very much in this way.**
