Welcome from the Headteacher

Dear applicant,

Thank you for your initial interest in the position of Chef at Immanuel College. I hope that the information found within this pack and on our website will encourage you to submit an application.

Immanuel College is an 11–18 Church of England Academy, proud to be part of the Bradford Diocesan Academies Trust (BDAT). Situated in Idle, in the north of Bradford, we have been serving our local communities for over twenty years.

Our Christian ethos, rooted in *perseverance, character, and hope*, shapes everything we do. “Immanuel” means *God with us*, and our motto *All God’s Children* reflects our belief that every student deserves to flourish. Our most recent SIAMS inspection recognised us as an *outstanding church school*, highlighting the “positive relationships at all levels” that enable both students and staff to thrive.

In May 2024, Ofsted judged us to be a *Good* school. We are proud of our strong record of GCSE and A level success, with excellent progress made by students of all abilities and backgrounds. Most of our students choose to continue their journey with us into our inclusive and supportive Sixth Form.

To further enhance our provision, we were delighted to open a state-of-the-art post-16 building in September 2025. This new facility provides modern, purpose-built spaces for learning, collaboration, and personal development, and reflects our commitment to offering an outstanding Sixth Form experience for our students.

Our staff are at the heart of our success. Teachers and support staff at Immanuel College have high aspirations for every student and are deeply committed to helping them reach their potential. In return, we place great value on staff wellbeing, actively reducing unnecessary workload wherever possible. We offer a robust performance management system, alongside a comprehensive and bespoke programme of CPD, to ensure colleagues feel supported in their professional growth.

If your passion matches our commitment to developing young people, and if you feel your values align with ours, then I warmly encourage you to apply.

About BDAT

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting 21 schools in Bradford. We are a Trust which prides ourselves in delivering great education outcomes and life opportunities for all our children. We are an inclusive Trust working with children from a rich range of backgrounds who reflect our communities and the city we serve. We are proud to be all about Bradford and developing the future generation of lifelong learners who will go on to achieve incredible things.

BDAT is a Trust which recognises each of our schools is unique. We actively encourage and celebrate difference as we know each of our schools serves very different communities. However we also know that a key strength of being part of a Trust means together our schools can support each other, learn from each other and share great practice. As importantly we know from working our way through the COVID pandemic, that a problem shared really can be a problem halved, and by working together we can save ourselves time, money and lots of duplication of work.

We are a Trust which is value-led, and we know it is important that we consistently live these values. The Trust's mission is "At BDAT we want every child to have a happy and high-quality education enabling them to grow and flourish during their time at school."

Our core Trust values are inclusion, compassion, aspiration, resilience, excellence (I.C.A.R.E.). We seek to model these values in all we do, including how we recruit and develop our staff, how we teach our students and how we liaise with our families, friends and partners. We are a proudly Christian organisation committed to providing high-quality education for all within our ethos. Whilst robust Christian principles underpin the work of the Trust, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. We describe ourselves as having inclusive values believing these are as appropriate and important to staff and students of all faiths (and to those without faith) as they are to those who practice within the Church of England. It is for this reason we choose to support and sponsor Non-Church of England Academies, as well as those within the faith. Therefore, we welcome applications for this role from employees of all faiths as long as they understand and can promote the values which we share.

BDAT is a large Trust, however we pride ourselves in knowing and understanding our schools. We are all part of the BDAT family, and we all have the same motivation – to see our children succeed. For more information about us follow us on twitter @WeAreBDAT or visit www.bdat-academies.org
