

Catholic Schools Partnership Teaching School Alliance

Formed in 2009, the Catholic Schools Partnership was designated as a Teaching School Alliance in 2014 and is a respected collaboration in Bradford and Keighley, comprising of 18 primary and 2 secondary schools including schools in the Blessed Christopher Wharton Catholic Multi-Academy Trust.

In our strong alliance, we have 2 teaching schools: St Joseph's Catholic Primary School, Bingley and St Cuthbert & The First Martyrs Catholic Primary School. We also boast a National Support School - Our Lady of Victories Catholic Primary Academy.

Building on the innovative work carried out by the partnership over the last 9 years, we work with our partners The Diocese of Leeds, Leeds Trinity University, One Education, Leadership Support for Schools and Bradford LA to secure high standards, promote high aspirations and, through our achievement and success, enhance life chances for children and young people in Bradford & Keighley.

St Cuthbert & The First Martyrs' Catholic Primary School is a vibrant member of our alliance. Through the annual subscription, they benefit from the CSPTSA by accessing over 140 CPD sessions from NQT through to Headship and beyond, training teachers through School Direct and taking part in the latest educational research. Our peer to peer school improvement approach allows leaders at all levels to nurture the teaching and leadership in all of our primary schools, sharing expertise and ensuring improvement.

We work with all staff on wellbeing and resilience. We offer regular teaching development, social events, bespoke support and a CSPTSA INSET Day, recognised by the Diocese of Leeds as being an integral part in faith leadership & teaching development.

The CSPTSA is a productive, supportive and unique alliance – you have the chance to be a driving force as we look to enter our second decade of striving to change the lives of our young people.
