Tuesday 3<sup>rd</sup> November 2020

Dear Applicant,

### **Upper Key Stage 2 Teacher**

Thank you for your interest in this post. Warley Road is a lively and popular school set in an elevated location overlooking Calder Valley. The school is set in an impressive Victorian building, which is currently undergoing a refurbishment programme, with two large and exciting schemes planned for summer 2021. Since September our focus has been on developing '*Provision, Quality and Consistency*' across all aspects of teaching and learning. At Warley Road we are committed to ensuring that every child, regardless of their starting point is able to grow and achieve in a supportive and caring environment.

Warley Road is part of Impact multi-academy trust and benefits from a wide range of support. Impact Trust prides itself on being a values driven organisation working collaboratively to ensure education impacts positively on students, families, communities and staff.

The successful applicant will, in the first instance be a sound team player with excellent interpersonal skills who sees the attainment and achievement of pupils as their core function.

The successful candidate will also feel comfortable in a school that views change and on-going development as exciting, where any barriers to developing teaching and learning are removed in order to raise educational attainment. They will be flexible and enjoy working as part of a team whilst having the drive and initiative to work independently and from their own initiative.

The post will include a range of teaching across upper key stage with a 50% commitment within Year 6. The post requires attendance at planning and assessment meetings and at times will include whole class as well as small group teaching. I strongly encourage all prospective candidates to visit to find out more about the post and I look forward to receiving your application.

Yours sincerely

Lesley Heathcote  
Headteacher
